

INVITATION TO APPLY

The PhD Programme would like to invite prospects to explore an exciting career in business academia, as professors of management, and pursue the INSEAD PhD.

The INSEAD PhD is looking for candidates with excellent academic backgrounds that, when combined with the PhD programme, will allow them to excel as academic researchers, creating timely and relevant research with a significant impact in the world of business.

We welcome candidates coming from all subject backgrounds, with varying levels of professional and research experience.

Undergraduate students in their final year, new alumni, masters students, and research fellows with varying levels of work and research experience are all welcome to apply.

The INSEAD PhD in Management offers a unique and fully-funded doctoral degree that prepares prospects to conduct cutting-edge business research and to teach students research concepts and methods that help them to become more effective professors in management.

INSEAD PhD graduates have gained top academic placements in leading business schools globally – Chicago, Columbia, Emory, Georgia Tech, Harvard, MIT, Northwestern, Stanford, UCLA, Wharton, Yale, Bocconi, Cambridge, LBS, LSE, Imperial College, Oxford, CEIBS, HKUST, Tsinghua, National University of Singapore, etc.

Starting salaries for assistant professors in leading business schools and universities remain attractive and competitive compared to industry professions.

PROGRAMME DETAILS

Regardless of academic and professional background, students specialise in one of the 8 areas offered based on interest: Accounting, Decision Sciences, Entrepreneurship, Finance, Marketing, Organisational Behaviour, Strategy, or Technology and Operations Management.

INSEAD PHD IN MANAGEMENT

The expected duration until graduation with the INSEAD PhD is 5 years of full-time study. The first 2 years are for coursework, which enables students to master the state-of-the-art disciplines and methodologies of the practice and conduct of research in management. A comprehensive field examination marks the beginning of doctoral dissertation, and in the next 3 years, students devote time to research in chosen field, culminating in the submission and defense of the dissertation. During the programme, they will publish in leading international management journals, which is in preparation for an exciting career in business academia. All students will be exposed to graduate teaching, through the teaching practicum and attending MBA classes (if applicable).

With the INSEAD PhD Programme, students:

- Study on 2 campuses - Singapore and France, and go for an exchange in the US with The Wharton School
- Work alongside faculty who are experts in their respective fields, and with a highly diverse group of peers coming from excellent academic backgrounds
- **Full scholarships for 5 years of full-time studies:**
Annual stipend for 2019 intake - 35,200€ for SG-based students and 32,000€ for FBL-based students; plus research budget support, comprehensive health insurance coverage [view updated info on www.insead.edu/phd/financing/]
- Secure top academic placements in leading business schools worldwide
